Explore Creativebug

Creativebug provides free access to over 5,000 art & craft tutorials by skilled instructors. Workshops are for all ages, skill levels, and interests. Along with daily practice and live videos, classes include:

- Art + Design
- Crochet
- Food + Home
- Holiday + Party
- Jewelry
- Kids Knitting
- Paper Quilting
- Sewing

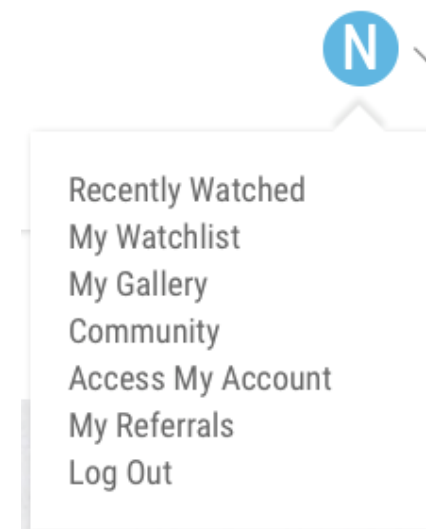

Watching Classes

1. When searching for a class to view, you can utilize the search box to look for a specific class or select a course from topics, such as knitting, from the homepage
2. You can sort classes by filtering search results by category, skill level, and age. Select the filters you would like to apply to a search and click "apply"
3. When viewing a class, you can rewind, fast forward, and pause as you move through the tutorial.

Your Account

With your account you can save videos to a watchlist, receive personalized recommendations, share photos of your creations, and interact with other crafters through the Creativebug community feature

Creativebug for Kids & Teens

Classes can be filtered by age range to find fun activities geared toward children and teens
