Transparent Language[®] Online

Lynnfield Public Library

Transparent Language Online

Transparent Language Online is a free language-learning system designed to build **listening, speaking, reading, and writing skills** in 110+ languages.

Learn and practice at home, at the library, and on-the-go. Available on your **computer or mobile device!**

Explore 110+ languages from all over the world, including **English for speakers of other languages.**

Kids can join the fun with KidSpeak, an age-appropriate course in English, Spanish, French, Italian, and Mandarin Chinese for ages 6+.

KidSpeak™

Step 1: Create Your Account

Visit the website below or scan the QR code to get started:

tinyurl.com/transparentlynnfield

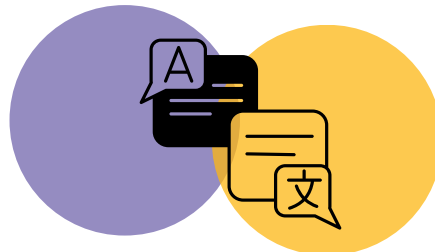

Transparent Language Online is also available from our list of **Massachusetts Statewide Databases (Gale)**. You can find more information at lynnfieldlibrary.org/databases/.

Create your **username** and **password**.

Once you create your account, choose a language and start learning!

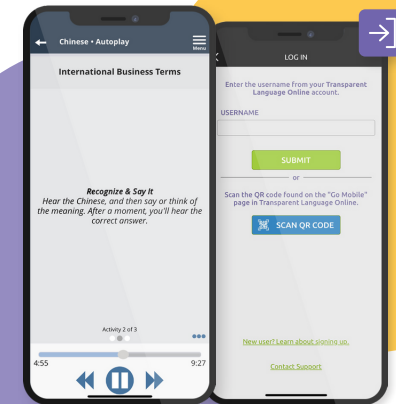

Step 2: Download the App

Create your account online first. Then, download the Transparent Language Online app from the **Apple App Store** or **Google Play**.

Activate your mobile app by **logging in with your username and password, or scan the QR code provided in the "Mobile Access" tab in your desktop account.**

Includes an audio-only "Hands-free Autoplay" mode so you can practice on the go!
