| PRIVACY POLICY: In accordance with Massachusetts General Laws and the American Library Association's Library Bill of Rights, the Lynnfield Library does not restrict the borrowing privileges of minors, nor can we discuss materials checked out on a minor's card without the permission of the minor. Materials reserved on a minor's card may not be checked out by or shared with a parent or guardian or anyone else unless permission is granted by the minor. In some situations, it may be necessary for a parent or guardian to be provided with limited information concerning a minor's library card use when items have been lost or damaged and the parent or guardian is financially responsible. Parents or guardians who wish to exercise full control over the borrowing practices of their children are advised to use their own library card instead of registering the child for a separate account. | | | | |
